

## List of Participants

### 3<sup>rd</sup> Biomass for Swiss Energy Future Conference

September 7, 2016

Campussaal, Fachhochschule Nordwestschweiz, Windisch

Organized by the SCCER BIOSWEET

| Name                   | Institution              |
|------------------------|--------------------------|
| Ammann Walter          | KTI Innovationsmentor    |
| Bagnoud Mariluz        | HEIG-VD                  |
| Bahir Duraki           | ETHZ                     |
| Baier Urs              | ZHAW                     |
| Balan Robert           | BFH                      |
| Barroso Gabriel        | HSLU                     |
| Biollaz Serge          | PSI                      |
| Bjelić Saša            | PSI                      |
| Björnsen Gurung Astrid | WSL                      |
| Bolli Simon            | Oekozentrum              |
| Bowman Gillianne       | WSL                      |
| Brandt Philipp         | H.W. Schaumann           |
| Burg Vanessa           | WSL                      |
| Calabretta Saverio     | PSI                      |
| Carel Vincent          | EPFL                     |
| Cherif Emir            | Holdigaz SA              |
| Custodis Victoria      | ETHZ                     |
| Damartzis Theodoros    | EPFL                     |
| Dumitrasc Alina        |                          |
| Duttwiler Sibylle      | Duttwiler Energietechnik |
| Erni Matthias          | WSL                      |
| Frei-Hardt Markus      | PSI                      |
| Georges Gil            | ETHZ                     |
| Griffin Timothy        | FHNW                     |
| Gschwend Dominic       | PSI                      |
| Günther-Leopold Ines   | PSI                      |

| Name                | Institution   |
|---------------------|---|
| Hassler Philip      | IFJ Institut für Jungunternehmen AG                                       |
| Haymoz Raphael      | FHNW  |
| Heller Thomas       | MicrobEnergy  |
| Herlein Gisela      | PSI   |
| Hermann Ludwig      | Outotec Holding GmbH  |
| Hermle Sandra       | BFE   |
| Hess Adrian         | PSI   |
| Heusser Peter       | I.C.E. AG   |
| Jansohn Peter       | PSI   |
| Juillard Frédéric   | EPFL  |
| Käser Timon         | PSI   |
| Keilen Karl         | Ministerium für Umwelt, Energie,<br>Ernährung und Forsten Rheinland-Pfalz |
| Koenig Roger        | SUPSI   |
| Kramer Kathrin      | KTI   |
| Krautwald Judith    | ZHAW  |
| Kristahn Raphael    | FHNW  |
| Kröcher Oliver      | PSI/EPFL  |
| Kühni Martin        | ZHAW  |
| Kunz Andreas        | Energie 360°  |
| Liebau Meike        | FHNW  |
| Ludgate Ursula      | PSI   |
| Madi Hossein        | EPFL  |
| Marcucci Adriana    | ETHZ  |
| Maréchal François   | EPFL  |
| Marrella Antony     | FHNW  |
| Marti Thomas        | Werke Stadt Wädenswil   |
| Mattogno Marco      | SUPSI   |
| Membrez Yves        | EREP SA   |
| Michel Jean-Bernard | HEIG-VD   |
| Moser Yves          | ZHAW  |
| Müller Sebastian    | PSI   |
| Näher Thomas        | S-WIN   |
| Nanzer Simone       | PSI   |
| Nussbaumer Thomas   | HSLU  |
| Pelejero Vicent     | Holdigaz SA   |
| Peng Gaël           | EPFL  |
| Pflugger Ruedi      | KTI Innovationsmentor   |

| Name                      | Institution                   |
|---------------------------|-------------------------------|
| Principi Pamela           | SUPSI                         |
| Puértolas Lacambra Begoña | ETHZ                          |
| Quarenghi Stefano         | CDV                           |
| Rodriguez Duran Sergio    | PSI                           |
| Rohr Manuel               |                               |
| Rudin Sophia              | Werke Stadt Wädenswil         |
| Ruffini Max               | 1432 Lighting SA - 1432 Group |
| Schmid Martin             | Oekozentrum                   |
| Schmid Lüdi Katharina     | ZHAW                          |
| Scholz David              | PSI                           |
| Sehaqui Houssine          | Empa                          |
| Shahab Robert             | BFH                           |
| Studer Michael            | BFH                           |
| Talebi Amiri              | EPFL                          |
| Truong Thanh-Binh         | PSI                           |
| Tarik Mohamed             | PSI                           |
| Van Herle Jan             | EPFL                          |
| Vogel Frédéric            | PSI/FHNW                      |
| Warthmann Rolf            | ZHAW                          |
| Winkler Dieter            | FHNW                          |
| Wokaun Alexander          | PSI                           |
| Xiros Charilaos           | BFH                           |
